

# Ameer Hamza Ali

An undergraduate student pursuing a degree in **Civil Engineering** at **NED University of Engineering & Technology**. I am deeply interested in integrating modern technology into traditional civil engineering practices, and I love exploring how modern technology can revolutionize our field. I'm always on the lookout for the latest trends and enjoy applying them to real-world projects.

## Education

### NED University of Engineering and Technology

BE, Civil Engineering

Oct 2022 -  
Present

### Adamjee Govt. Science College

Inter Education

2020 -  
2022

## Certifications

- Introduction to Python - Sololearn

Issued Apr 2023

- **Revit Course for Beginners - Alison**

Issued Feb 2024

Credential ID: AC-6352-37287052

---

## Skills

- **AutoCAD**

*Expert in drafting, with a strong command of both 2D and 3D design principles.*

- **Revit**

*Skilled in 3D architectural and structural modeling with a deep understanding of Building Information Modeling (BIM) processes.*

- **MS Office**

*Proficient in the entire MS Office suite, with advanced skills in MS Word and MS Excel for documentation and data analysis.*

- **Python**

*Keen on leveraging Python for automating tasks in the Civil Engineering domain, with a strong focus on data analysis and visualization.*
